

# **Automotive Parts Database Operation during MCO (Mar 18, 2020 to Apr 14, 2020)**

As at March 31, 2020

# Executive Summary

In light with the National Movement Control Order which are taking effect from 18<sup>th</sup> of March until 14<sup>th</sup> of April 2020 due to Covid-19 outbreak, we are pleased to inform that our Automotive Parts Database Operation is running as usual, remotely.

Our automotive parts database build-up operation are continuing for both Malaysia and UK markets with total of **13,382** numbers of parts line items were added during this period (as of 31<sup>st</sup> of March).

We have also released the latest database update version **MRCDB P40.0** on 26<sup>th</sup> of March with **18** new derivatives of Audi A3, Volkswagen Polo, Infiniti QX70, Isuzu D-Max and Proton X70 together with vehicle manufacturer price updates for Infiniti, Nissan and Peugeot.
