What AutoPad Can Do

- Import daily service bookings from your DMS.
- Can be used at vehicle check in with our Pre-Check Inquestionnaire.
- Appraise the vehicle and provide instant pricing.
- Upload photographs and video of damage.
- Upload & store photographs and documents.
- Remote vehicle estimating.
- Daily booking diary sales.
- On-line payment gateway.
- Simple to use at the vehicle in front of your customer where a quote is created using touch screen technology.
- Communicate with the vehicle owner, including quotes, video and damage images which allows the service advisor to clearly demonstrate the damage area or repair required.

The Benefits

- Manages the customer interface.
- Accessible from any location.
- Fast, efficient, and accurate.
- Controls and standardises pricing.
- Easy to use.
- Simple and professional quotation to customers.
- Integrates with existing dealer management systems.
- Vehicle and customer lookups to reduce data entry.
- Accessible from a wide range of devices.
- Real time link to BodyNet (Bodyshop Management System).

What AutoPad Can Help

- To introduce a new revenue opportunity to your business.
- Reduce estimate creation time.
- Produce accurate quotes.
- Facilitates quotes without the need to have the vehicle on-site.
- Both cars and commercial vehicles.
- Instant authority with using digital signature and fast approval.
- Adding and marking damages can be done digitally on the car.
